# Scribus introduction

- **Professional pre-press application**
- **User friendly interface**
- **DTP workflow cooperation**
- **Powerfull export and import routines (brilliant PDF)**
- **Extensibility: plugins, Python scripting**

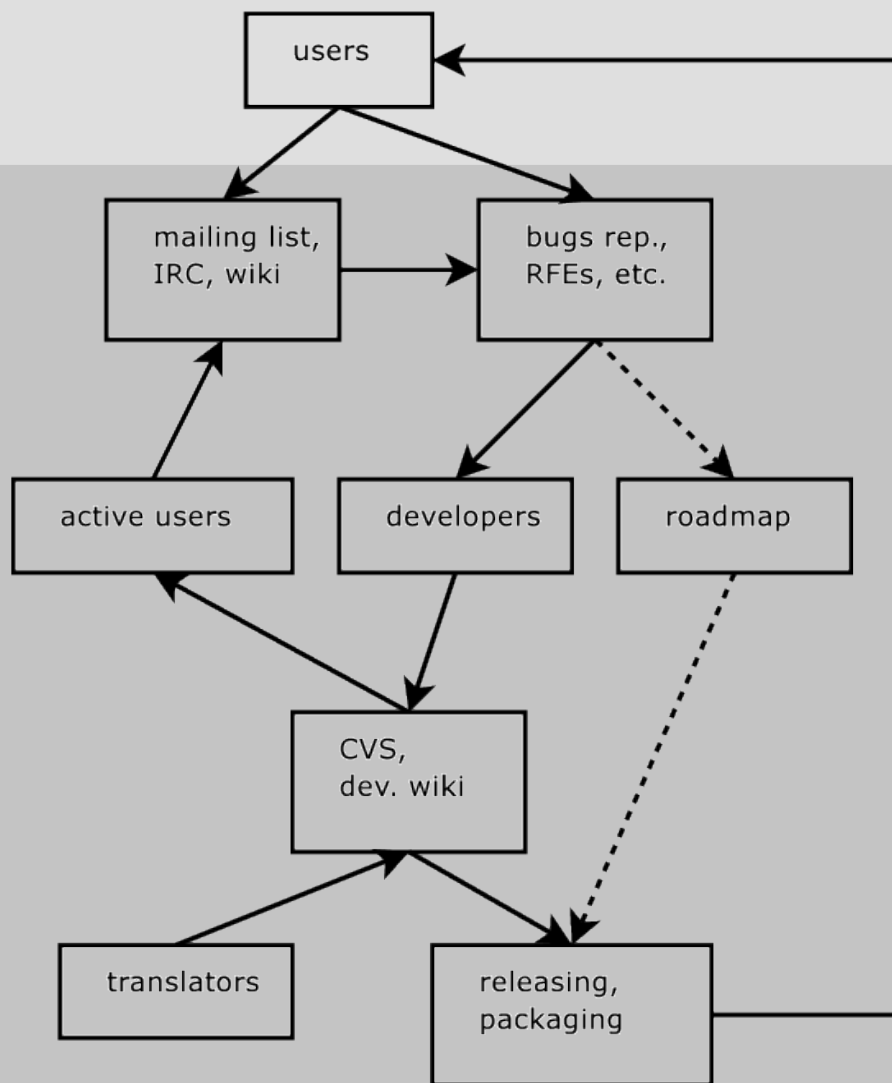

# Scribus is not...

- **Quark/ID/whatever clone**
- **Text processor**
- **Bitmap or vector graphics editor**
  
- **Use right tool for the right purpose**

# Linux DTP Workflow

# Scribus Community

- mailing list
- commercial support
- wiki: users for users

# Future...

- **RFEs in bugtracker, public roadmap**
- **speed of the application**
- **typographic enhancement**
- **Qt4 and its licensing**
- **push distros to get Ghostscript upgraded**
- **better SVG/EPS exporting from the others apps**
